Education

Technical University of Munich — **Munich**
Exchange — *2024*

The University of Adelaide — **Australia**
Bachelor of Mathematical and Computer Sciences, GPA: 6.33/7.0 — *2022 Feb – 2024 Nov*
Majoring in Distributed Systems and Networking

Experience

Global Technology Integrator Ltd. — **Hong Kong**
Network / System Engineer — *2021 Aug – 2021 Nov*

- Spearheading the automation and parallelization of our tasks
- Helping resolve our staff shortage by reducing the manpower and time required by ~200%
- Mentoring new staff, helping them understand the technology

Projects

Binary Search on Color (`tinnamchoi.github.io/projects/bsoc`) — **Australia**
HTML, CSS, JavaScript — *2023 Mar – Present*

- Using the binary search algorithm to find the color that is closest to the user's desired color
- An attempt to combat indecisiveness when it comes to choosing colors

The Sound of Personality (`tinnamchoi.github.io/projects/tsop`) — **Australia**
JavaScript, Spotify API — *2023 Mar – 2023 Mar*

- Utilizing the Spotify API to estimate the user's MBTI type based on their music preferences
- Boosting team morale and ensuring that we are all motivated to work on the project
- Demonstrating quick learning skills with my swift adoptation of the API

Negative Base Converter (`tinnamchoi.github.io/projects/nbc`) — **Australia**
HTML, CSS, JavaScript — *2022 Nov – Present*

- Web app that converts numbers from any base to any other base
- Negative bases have the unique property of being able to represent all numbers without using a negative sign
- Researching an algorithm that can deal with the conversion of fractional numbers

Volunteering

Adelaide Rover Team — **Australia**
Software Developer — *2023 Jul – Present*

- Employing best practices for seamless coordination and optimal outcomes.
- Consolidate constants for streamlined management and easy access.

UNIHACK — **Australia**
Organizer — *2023 Apr – Present*

- Logistics and marketing, creating the Adelaide Hub for 2024

Skills & Achievements

Languages

Proficient: C++ **Intermediate / Beginner**: Bash, C, CSS, HTML, JS, LaTeX, MATLAB, Python
Human: English (fluent), Cantonese (native), Mandarin (advanced), German (beginner)

Prizes

Subject prize: Information and Communication Technology 2021 *Achiever of the best results amongst peers*

Scholarships

University of Adelaide: 30% Global Citizens Scholarship *Best possible scholarship for international students*
